

EPKINLY[®] (epcoritamab-bysp)

Hospital Outpatient Claim Form (Sample 1450)

This sample form is provided for informational purposes only. The accurate completion of claims documentation is the responsibility of the provider. Genmab and AbbVie do not guarantee reimbursement for any services or product.

1 Item 4

Enter the appropriate type of bill code (eg, 013X Hospital Outpatient).¹

42 REV. CD.	43 DESCRIPTION	44 HCPCS / RATE / HPPS CODE	45 SERV. DATE	46 SERV. UNITS
1				
2				
3				
4				
5				
6				
7				
8				
9				

2 Item 42

Enter a 4-digit revenue code that aligns with the administration of EPKINLY, in accordance with hospital billing policy¹ (eg, 0636 – Drugs Requiring Detailed Coding).²

3 Item 43

Enter the corresponding HCPCS/CPT descriptor for the revenue code listed in Item 42. When required, enter the N4-appended 11-digit EPKINLY NDC, followed by quantity qualifier and quantity administered (eg, N482705000201 mL).¹

4 Item 44

Report HCPCS J9321 for EPKINLY.³ If applicable, discarded product should be reported on a separate line with the unclassified HCPCS code and JW modifier.⁴ If no drug wastage, append JZ modifier to the HCPCS.⁴ On a separate line, enter the drug administration CPT code (96401).⁵

5 Item 45

Enter date of service.¹

6 Item 46

Report billing units here. For the drug administration CPT code 96401, enter a unit of 1).⁵

7 Item 66

Enter the primary ICD-10-CM diagnosis code specific to the rationale for treating with EPKINLY.¹

Please see full **Prescribing Information**, including **Boxed Warnings**.
