

The MyNavCare by Genmab[®] Co-Pay Program

Patients may pay as little as \$0 co-pay*

The MyNavCare Co-Pay Program may help eligible, commercially insured patients receive financial assistance with:

- Out-of-pocket deductibles
- Co-pay costs
- Coinsurance costs

Restrictions apply. Please review the Terms and Conditions on [MyNavCare.com/financial-assistance](https://www.mynavcare.com/financial-assistance) for full eligibility requirements.

If your patient does not meet the eligibility criteria for the Co-Pay Program, *MyNavCare Patient Support by Genmab*[®] can explore financial assistance options for eligible patients. Please call 1-866-628-2271 for more information about access and affordability options.

MyNavCare Patient Support by Genmab offers resources, services, and support to help patients access a Genmab medication throughout their treatment journey.

Visit [MyNavCare.com](https://www.mynavcare.com) to begin the enrollment process and learn more about financial assistance options.

Step 3

Start enrolling your patients in MyNavCare

*The MyNavCare Co-Pay Assistance Program ("the Program") is available to assist eligible, commercially insured patients who have been prescribed a Genmab medication ("the Product"). Under the Program, the amount of support may vary based on the patient's insurance coverage. The patient may pay as little as \$0 for the Product per dose. The Program helps eligible, commercially insured patients with their out-of-pocket cost for the Product. Under the Program, the amount of support may vary based on the patient's insurance coverage. The patient must be a resident of the United States, the Commonwealth of Puerto Rico, or U.S. territories. The Product must be administered to the patient in the United States, the Commonwealth of Puerto Rico, or U.S. territories. The patient or legal guardian must be 18 years of age or older.
