

What is the MyNavCare Patient Support[®] HCP Portal?

The MyNavCareHCPportal.com provides helpful resources and information 24/7 to help ensure patients can access their prescribed Genmab medication. Registered practices can enroll patients in MyNavCare by Genmab[®] patient support, which includes:

Completing an **online enrollment** form to request available services for patients

Receiving **notifications** for cases

Using **electronic signatures** for HCPs and patients

Accessing the **billing and coding guide** and other **helpful resources**

Accessing **secure messaging** to communicate with your **Patient Access Specialist** and upload documents

Managing patient cases throughout their treatment

New user registration

First time here?
Begin the registration process below.

- 1 Go to MyNavCareHCPportal.com and click “Get Started”
- 2 Add your office administrator from your practice
- 3 Review the Terms and Conditions and provide your signature

You'll receive an email with a link where you can set up your password within 24 hours. Follow the directions accordingly. You'll be directed back to the login page—then you can enter your email and password to log in.

Manage Patient Cases

The HCP portal offers information and resources right at your fingertips. As you and your practice help patients access medication, you'll receive the following coverage and reimbursement resources/information:

- Benefits verification
- Prior authorization
- Appeals information
- Financial assistance*
- Coverage and claims information

*Based on eligibility requirements and [Terms and Conditions](#).
